### BCA partners industry and universities to groom leaders to drive sustained transformation in the built environment sector

The Building and Construction Authority (BCA) has partnered the built environment industry and academia to develop a new iBuildSG Leadership Engagement and Development (LEAD) framework to support leadership development within the sector. BCA is also working with the industry to pilot a new, voluntary Maintainable Design Appraisal System (or MiDAS in short) from May this year. These were announced at the BCA Awards 2019 ceremony by Minister of State for National Development and Manpower, Mr Zaqy Mohamad. More than 2,000 industry guests were present to celebrate the built environment sector's achievements.
