

We live in an era where change is the only constant. Smart solutions and technological innovations have changed the way we design, build and manage buildings.

What will the built environment of the future look like? The possibilities are endless.

Join our expert speakers as they share their vision and be inspired to shape the next chapter of our built environment.

Have you registered for IBEW 2019 yet? Seats are filling up fast, and the **Early Bird Promotion ends on 31 July 2019**. Register today to be part of the conversation!

WHAT LIES AHEAD?

We live in an era where change is the only constant. Smart solutions and technological innovations have changed the way we design, build and manage buildings. What will the built environment of the future look like? The possibilities are endless.

Join our expert speakers as they share their vision and be inspired to shape the next chapter of our built environment.

Have you registered for IBEW 2019 yet? Seats are filling up fast, and the **Early Bird Promotion ends on 31 July 2019**. Register today to be part of the conversation!

TRACK 4 - THE CHANGING WORLD (Thursday, 5 Sept 2019)

TRACK 4.1 - Future of Building Buildings - What Tomorrow's Consumers Want
Changing consumer behaviour and expectations could well be driving the biggest market disruption within the built environment sector: how to attract, acquire, retain and delight the customer. Join leading industry figures to explore how these changes could shape the development of tomorrow.

TRACK 4.2 - Future Buildings - What Tomorrow's Buildings Look Like
Buildings of today are already evolving to be smarter, more sustainable and people-centric in design. What will tomorrow's buildings offer? Join us as we examine today's trends and explore opportunities, and deliberate how these could shape tomorrow's buildings.
