

To the attention of FIDIC Members

Dear colleagues,

We're delighted to announce that the first ever survey to be conducted by the FIDIC Diversity Task Force is now live!

Click here to take the survey: www.surveymonkey.com/r/RJRDSBT

Set up last year, the mission of the FIDIC Diversity and Inclusivity Task Force is to actively support representation and inclusion from more diverse groups as influencers in the Consulting Engineering sector. Moreover, its mission is to support members by illustrating why diversity and inclusion matters to business, demonstrating the benefits and the most effective, practical measures to enhance diversity and inclusion.

Your responses to this survey are vital as part of the research to gather information to better understand what needs to be done to improve diversity and inclusion in our sector.

We really value and need your feedback. Please also share this request and the survey with your members and stakeholders.

Please take part in this brief survey by clicking the link below. It should only take a few minutes to complete. The Task Force needs your crucial input as it looks for ways to further enhance the diversity and inclusivity of our sector.

Have your say! Click here to take the survey www.surveymonkey.com/r/RJRDSBT

We look forward to receiving your responses.

With best regards,

International Federation of Consulting Engineers
The Global Voice of Consulting Engineers
