

# Future of Quantity Surveyor Seminar

[www.rics.org/sisvqs](http://www.rics.org/sisvqs)

## Overview

In collaboration with the Singapore Institute of Surveyors and Valuers (SISV), this flagship seminar will provide critical insights into issues impacting the future of surveying.

Themed “Future of the Profession – Quantity Surveyors”, this half day seminar will deep dive into:

- Key indicators for QS professionals from RICS’ most recent published paper
- Industry Transformation Map (ITM) and the action plan for QS professionals
- The role of technology and standards in the fast-evolving industry
- The role of QS professionals and the value of the profession from different segment of the same industry
- Legal developments that will impact the profession

## Why attend?

- Understand the change that is taking place to the profession and its challenges in the foreseeable future
- Understand the skillset required for the profession and what the industry is increasingly looking for
- Learn about new technologies that are coming and how they are impacting QS professionals
- Gain insights into some of the landmark cases relating to claims and extension of time (EOT)
- Learn about the changing value of QS professionals

### Remarks

- The organiser reserves the right to cancel or reschedule the function at their discretion.
- You will only receive an e-mail notification from the RICS office confirming your registration status. You are advised to call RICS office (+65 6812 8186) to confirm your registration status if you have not received an e-mail confirmation prior to the event.
- No refund can be made for cancellation or "no show" but a substitute delegate is normally permitted. Please inform RICS at least one week prior the event.
- Seats will only be confirmed upon receipt of completed registration form together with payment.
- Please make sure the exact amount is deposited as no change or refund will be provided.
- Incomplete and wrongly completed registration form will not be processed.
- Attendance certificates will not be issued for RICS CPD events.
- All practising RICS members are required to complete and log at least 20 hours of CPD (Continuing Professional Development) online each year. Visit [www.rics.org/cpd](http://www.rics.org/cpd) today.

### Data Protection Policy

RICS will always make sure you receive compulsory communications such as those relating to the administration of your membership, renewal notices, regulation and conduct, practice and guidance notes and AGM information.

Furthermore, RICS would like to use the contact details that you have provided to us in relation to the communications described below (including by email/telephone, where appropriate). Please tick the relevant boxes below:

If you **do not wish** to receive additional communications from RICS about membership and the profession, tick here

If you **do not wish** to receive additional communications from RICS about RICS conferences, events, products, services and training (some of which may complement your CPD requirements), tick here

If you **do not wish to** receive additional communications from RICS detailing offers from third parties with whom we have negotiated special deals for members, tick here
