## Conserve Built Heritage

### **Architectural Heritage Season 2019: Celebrating 30 years of conservation**

This year, we mark 30 years of the URA Conservation programme! Since the programme was established in 1989, we have conserved close to 7,200 buildings and structures in more than 100 areas, including the entire historic districts of Chinatown, Kampong Glam and Little India.

Find out more about our conservation journey at the "30 Years of Conservation" exhibition, and join us for a series of events to celebrate our built heritage.

Be part of the Architectural Heritage Season 2019

## Winners of the Architectural Heritage Awards 2019

We've conferred the 2019 Award for Restoration to Temasek Shophouse, and a Special Mention to a two-storey residential shophouse at 105 Onan Road, for their exemplary restoration work.

## Plan our Future SG

## Designing Our Age-Friendly City

As more Singaporeans live longer and seniors form a larger proportion of the population, there is a need to ensure our built environment is age-friendly. Our latest Urban Lab exhibition, "Designing Our Age-Friendly City", examines how our built environment can better support ageing.

## Shape a Distinctive City

## **"On the Inside Of \_\_\_\_\_" : An architecture exhibition**

The latest exhibition at the AUDE Space, located in The URA Centre Atrium, examines the behind-the-scenes processes of designing well-crafted buildings, through the perspective of 12 small and medium-sized architecture firms. Come discover their ideas and architecture models!

## **Go Car-Lite**

## **Making Paya Lebar more pedestrian-friendly**

Getting around Paya Lebar Central is now easier, with improvement works done around the area to give commuters easier access to the new malls and office buildings. These are part of our plans to turn Paya Lebar Central into a lively, pedestrian-friendly commercial hub!

## **Enliven Public Spaces**

### **Creating lively places around our city**

It's now easier to play a part in shaping the public spaces around our city! You can organise activities or create installations that bring a sense of delight through the Lively Places Programme, a joint initiative by URA and HDB to support community-led efforts to enliven our public spaces.

[Find out more about the Lively Places Programme](#)

## Enjoy a day out at Duxton Hill on 16 November

Head down to Duxton Hill on Saturday, 16 November 2019 for a full day of activities as part of Esquire Neighbourhood! Look forward to a whole range of programmes including fitness classes, indie musical acts, and talks and workshops.
