THE AWARD

THE ACES YOUNG CONSULTING ENGINEER OF THE YEAR 2020 aims to recognise, celebrate and encourage young consulting engineers working in Singapore. Recipients will be judged to have made a substantial and sustained contribution to their profession and completed excellent work that demonstrates their design and engineering abilities.

The Award aim to recognise young engineers who are making an excellent contribution working as a consultant engineer in Singapore. Their contribution may be in one or many of the following areas:

- Working in a team on a challenging or ground-breaking project
- Substantial role in the team
- Project leadership

Award will be made under three (3) categories:-

1. Civil & Structural Engineer
2. Electrical Engineer
3. Mechanical Engineer

Young engineers working in specialist fields or as a specialist may be considered for an award in an associated field.

THE ELIGIBILITY

- This Award is open to members of the ACES Young Professional Connection.
- Candidates should be based in Singapore working for ACES Corporate member firms.
- The age limit for application is **35** years of age as of time of application.
- Candidates can nominate themselves or be nominated by Representatives of Corporate Members.
- The Engineer may be leading a single engineering project or be part of a larger project or coordinating a number of projects in or outside of Singapore. These projects may be of any type undertaken by a consulting engineer.
- The portfolio of work submitted for consideration should primarily consist of work undertaken in 2018-2019, but earlier work and overall career development can be included as well.
