

*El único evento en español de contratos de la FIDIC en todo el mundo. La conferencia se llevará a cabo en idioma inglés, pero se traducirá al español de forma simultánea*

The [International Federation of Consulting Engineers \(FIDIC\)](#) is delighted to announce the next official FIDIC conference for Latin America.

**Help make sure your projects are running as efficiently as possible by gaining strategic advice from senior FIDIC members and regional business leaders on:**

1. Making the most of the FIDIC Suite
2. Avoiding the pitfalls
3. Keeping your costs down
4. Resolving disputes

**Objective:**

To provide essential networking and guidance from the FIDIC Contracts Committee and leading local and global construction law minds on successfully using the FIDIC suite of contracts, managing major projects, handling claims, dispute avoidance & resolution and more...

Any practitioner involved in international construction contracts and disputes:

- Engineers, contractors, in-house lawyers from construction companies
- Construction lawyers, arbitrators
- Mediators, contract managers, procurement officers
- Financial institutions and governmental entities involved in procurement  
FIDIC

**Highlights include:**

- Contract Management Provisions in FIDIC Contracts
- Case Studies of FIDIC Application Delivered by Latin America Experts
- Looking at the Relationship Between FIDIC and the MDBs
- Comparison Between FIDIC and Other Contracts Used in Latam
- Managing Claims Under FIDIC Forms of Contract
- The International Contractors' Panel is Back

**Venue:**
