Subject: CORENET e-Info Circulars 2-Mar-2020

Dear Industry Professionals,

COORDINATED QUARTERLY RELEASE OF REGULATORY CIRCULARS BY AGENCIES

Since 5 Jul 2019, the [Inter-Agency Coordinating Committee \(IACC\)](#) has embarked on an initiative to coordinate the release of the respective regulatory agency circulars in batches. This is to address the industrys feedback on the need to keep track of the various agencies circulars, and suggestion for greater coordination.

This initiative covers primarily circulars on regulatory and/or technical requirements. At the same time, whenever possible, the relevant agencies will incorporate a grace period of at least 6 months before the requirements come into effect. Requirements which are time sensitive, such as safety related, or relaxations, may however not be subject to this initiative.

Releases follow a Mar-Jun-Sep-Dec cycle. The current March 2020 batch of published circulars are summarized below.

On behalf of [IACC Secretariat](#)

Thank you.

Best regards,
Project Manager
