

Skyline issue 12 is now out! Read the article [here](#).

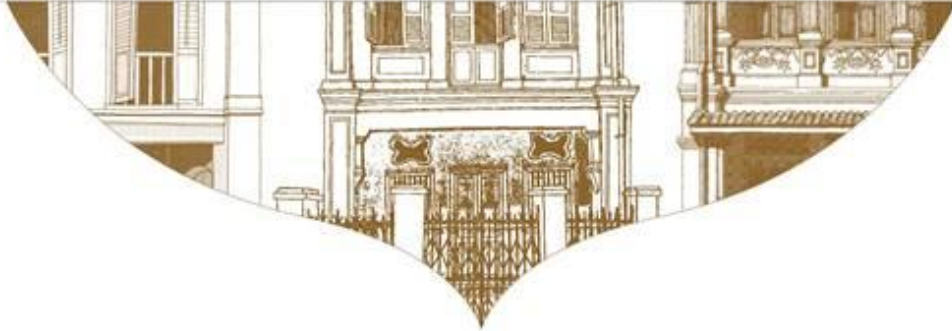

Check out a new special supplement presenting 30 personal interviews and quotes on Singapore's conservation journey over 30 years. www.ura.gov.sg/skyline

Skyline

Insights into planning
spaces around us

Issue 12 | February 2020

All articles are online at www.ura.gov.sg/skyline

"The key to managing change is lodged in the human heart."

Renowned architect Daniel Libeskind let us in on the essence
of designing for the past and future.

And we delve into the hearts and minds of conservation pioneers and others
on the struggles and triumphs in shaping Singapore's rich heritage
in the last 30 years.

Skyline is published by the Urban Redevelopment Authority (URA).
The magazine covers key urban issues shaping Singapore.
