

Skills Framework Workshop for Built Environment Sector

For Employers and Human Resource Professionals

SSG, BCA and Institute for Human Resource Professionals (IHRP) are co-organising HR workshops for firms. This workshop is designed for firms' HR personnel/professionals and line managers/supervisors who are performing HR functions. The workshop will help learners understand how to implement SFw in the firms' HR programmes and activities, as well as provide useful step-by-step guides and templates. Please see appended eDM for more details. We would encourage your HR team to participate.

The Skills Framework is part of the SkillsFuture movement to promote mastery and recognition of skills, and to foster a culture of lifelong learning. It is developed by the government together with employers, industry associations, unions, and professional bodies, for the Singapore workforce. It aims to provide up-to-date information on industries, job occupations, career pathways, skills-set requirement and training programmes to facilitate the acquisition of skills.
