

URA AUG 2020 THIS > MONTH

Celebrate Singapore's 55th birthday together safely

This year's National Day Parade (NDP) will be like no other, and will be brought into our homes. Witness the parade at the historic Padang, where the first NDP was held, live on TV and online. Look forward to welcoming the Mobile Column, State Flag Flypast, F-15 Roar of Unity and even the Red Lions in our heartlands, and more! Remember to don our masks and keep a safe distance from one another as we celebrate and build a stronger future together.

Enliven Public Spaces

Community knows best

It's a key principle of place making where stakeholders come together to enhance their precincts. Yanling, our Senior Place Manager, shares her involvement in the formation of Singapore River One and Discover Tanjong Pagar pilot Business Improvements Districts (BIDs), a sustainable place making model that is being explored in Singapore.

Conserve Built Heritage

Discover historic wonders in the CBD

Telok Ayer is not just another street but an area of historic significance that is nestled in Singapore's bustling city centre. Here you will find rows of carefully conserved shophouses and national monuments, including Architectural Heritage Award winners!

Go Car-Lite

Connecting more parks with cycling and jogging routes

Located in the Western Adventure Loop, the Ulu Pandan Park Connector Bridge is the first bike-friendly elevated park connector in Singapore, and it connects scenic places like Dairy Farm Nature Park and Bukit Batok Nature Park. We can look forward to park connectors island-wide increasing to 500km by 2030, from today's 340km.

Shape a Distinctive City

Designing for safer and more efficient deliveries

Delivering goods to people and businesses efficiently keeps our city humming along, and loading bays that are designed and managed well can help strengthen this urban logistics system. Find out more with our new guide on the best practices for the design and management of loading bay operations in commercial buildings.

Plan our Future SG

Engaging youths in shaping Singapore

Community engagement continues online even when the Singapore City Gallery remains closed in view of the COVID-19 situation. We met up with school leaders virtually to explore new ways to engage youths in shaping a more distinctive and endearing Singapore. If you have fresh ideas on how this can be done in the new normal, [write to us!](#)

Adding a splash of Singapore on your screen

Telecommuting has become a norm, but you can still enjoy our distinctive city and destinations as you work safely from home. We have curated a set of digital wallpapers showing iconic Singapore landmarks that you can use on virtual meeting platforms, and demonstrate solidarity in steering through challenging times, together.
