

Building Information Modelling (BIM) is a process that involves the generation and management of the information about a facility. BIM allows for great integration and collaboration among different building professionals of various disciplines to explore digitally,

and can be used throughout the entire building process from design stage through construction stage and even post construction building management.

CIVIL & STRUCTURAL ENGINEERING

Certificate in
CONCRETE TECHNOLOGY

E-Learning

This certificate course in Concrete Technology is jointly organised by the BCA Academy, the Singapore Concrete Institute (SCI) and the American Concrete Institute-Singapore Chapter (ACI-SC) to familiarize technical personnel in the concrete industry with the certification scheme.

Commencing 2 September 2020

DESIGN FOR MANUFACTURING AND ASSEMBLY

**SITE MANAGEMENT OF PRECAST
CONCRETE CONSTRUCTION**

E-Learning

This workshop provides construction managers with practical knowledge in the planning, execution and control of precast concrete construction. At the end of the workshop, participants will be able to plan and manage precast concrete construction site activities effectively.

Commencing on 27 August 2020

QUALITY

Good Industry Practices

WATERPROOFING FOR EXTERNAL WALL

Water seepage through external walls, mostly occurred by ingress of rainwater, was found to be a common defect faced by homeowners. To enhance water-tightness performance of external walls, it is important to look at the use of suitable materials, adequate wall thickness, design of proper construction details and surface rendering and finishes.

E-Learning

Commencing on 8 September 2020

CERTIFIED QM/CONQUAS MANAGER COURSE

This course aims to enable participants to implement Quality Management System (QMS) more effectively in a building construction project to improve work processes, and apply practical strategies at different stages of a building construction project to achieve better Quality Mark(QM)/CONQUAS score.

E-Learning

Commencing on 19 August 2020
