\*Helping you in these tough times - Join the “**NEW**” Built Environment sector

\*Starting in October 2020, a 10-month **Diploma(Conversion) in Integrated Digital Delivery (Built Environment)**

OPEN FOR REGISTRATION >

The Built Environment has started its transformation journey a few years ago. Post Covid-19, **the pace of transformation will be greater and faster. The new normal will encompass greater technological adoption and digitalisation as the foundation for the next upturn.**

The current pandemic has led to job displacements across many sectors in our economy. **It is a challenging time for all. But all is not lost. The Built Environment is inviting unemployed Singaporean job seekers who are keen to pursue a career in this exciting and evolving**

sector.

**Register for the SUnited Skills Programme - Diploma (Conversion) in Integrated Digital Delivery (Built Environment) to enhance your employability;** acquire industry-relevant and work-ready skills in the emerging field of Integrated Digital Delivery (IDD).

Help spread this opportunity to someone you know that may need help. They will need a new start.

### **Key Features - Diploma (Conversion) in Integrated Digital Delivery (Built Environment)**

- Industry-relevant curriculum to enhance employability
- Training allowance of \$1,200
- Highly subsidised course fee
- Employment facilitation
