Singapore Manufacturing Federation (SMF) together with Schneider Electric are organizing a live panel Webinar on **Wednesday 23 September 2020, Singapore Time: 1600hr.**

Panelists for this webinar will include representatives from Singapore SMEs, Government as well as from SMF. Dr Bicky Bhangu, Deputy President of SMF will give the welcome address.

The Moderator for this webinar will be Mr Urvil Modi, Vice President – Singapore, Malaysia & Brunei, Industrial Automation, Schneider Electric.

Organized By:

The objectives of this Live Webinar will be to spearhead discussion and sharing on:

- 1) How SMEs in the manufacturing sector can upgrade, upskill, transform and digitize for a future-proof tomorrow.
- 2) How companies especially SMEs can achieve business continuity through embracing digitalization for their manufacturing process and accelerate business growth in the new normal.
- 3) Sharing on adoption of Industry 4.0 and collaboration towards overcoming obstacles that may be encountered in the Industry 4.0 journey.

This webinar is targeted at Singapore SMEs in the manufacturing industry.

### Why you should attend:

This webinar will provide an opportunity to learn from local SMEs on how digitalization has helped them in the pandemic and how they have emerged more future ready with technology. Participants can also learn how to leverage on programs to help SMEs in digitalization.

Join us for the webinar to explore how your company can implement a resilient Industry 4.0 for a future-proof tomorrow for a post Covid-19 world.
