Dear Qualified Persons who submit Building Plans for new developments,

It is noted that progress of most construction worksites are affected by the COVID-19 situations. While BCA currently focus on safe and control restart of the construction sector, we would like to conduct a survey on the estimated number of construction projects that are fully completed and ready for TOP inspection for the period of October to December 2020. This will help us to have a clearer picture on the extent of ongoing construction activities for the subsequent months.

We would appreciate it if you could fill in the FormSG via the given link by **7 Oct 2020 (Wednesday)**. It will take 2 to 3 minutes to complete.

Thank you.
