Plan our Future SG

Envisioning the future of Paya Lebar Air Base

Earlier this year, we called on you to reimagine the future Paya Lebar Air Base site with us. Out of 104 entries, 14 were picked for their forward-looking and creative ideas, including sustainable community farms and re-purposing the runway as community spaces.

Conserve Built Heritage

Blast from the past

Completed in 1969 to mark the opening of Seletar Reservoir, the shape of this conserved lookout tower was inspired by something that was out of this world! Can you guess what it was?

Old world charm in a modern town

The next time you head down to Joo Chiat, see if you can also spot some Architectural Heritage Award winners, such as this nostalgic 'Lucky Book Store', restored and adapted into a modern family home.

Enliven Public Spaces

A breezy pit-stop along our Greater Rustic Coast

Have you visited the Woodlands Waterfront Park lately? Offering great views with a sea breeze, the park is also part of our Greater Rustic Coast – a 50km belt that stretches from Lim Chu Kang to Changi.

Go Car-Lite

Trails from our heartlands

If you're working from home, green spaces in the heartlands such as Sengkang Riverside Park are there if you want to catch some exercise without straying too far from your laptop. If not, check out the neighbouring towns or take a side trip to Coney Island, which are all connected via a green loop!

Shape a Distinctive City

Building an endearing Singapore together

We joined hands with many volunteers and collaborators to create and deliver many wonderful youth and community initiatives over the past year. Here's to you and working together towards shaping a Singapore we love.

The 'Eureka!' that sparked Space Out

This web-based platform keeps you informed of crowd levels at locations around Singapore. Vik Zeng from URA's Digital Planning Lab shares how a 'Eureka' moment over coffee led to the development of Space Out.
