I take this opportunity to thank you all for your participation in these events and for your contributions for the achievement of a successful online conference. Your support was much appreciated!

This year's conference was truly a source of encouragement towards the future and the "new normal". Despite the global challenges we are all experiencing this year, the FIDIC Secretariat in Geneva was very pleased to offer you the possibility of keeping connected and well informed as much as possible so that you have the tools needed to overcome the crisis.

Stay tuned for next FIDIC events in the year!

In the meantime, please stay well and safe.

With best regards,

Italo
