

And it's a wrap! After a month of learning, networking and exchange of ideas, the digital IBEW 2020 has come to a close. Thank you for sharing our aspiration to push the boundaries of innovation to build greater resilience and adaptability in the post-pandemic era.

Missed the chance to visit the virtual tradeshows at IBEW 2020? Fret not! **The virtual tradeshows are open till March 2021!** Take this opportunity to watch videos and download materials on the latest technologies and solutions for the built environment sector.

VISIT TRADESHOWS

VIDEO ON-DEMAND

For those who missed our live event earlier, recordings of the International Built Environment Conference (IBEC) and Technical Webinars are now available for on-demand viewing.
