

Dear Industry Professionals,

BCA has published Q3 2020's list of Top 10 Developers, Contractors and Properties on the Quality Housing Portal (QHP).

QHP provides a platform for homebuyers to make a more informed decision when buying a home. Homebuyers can search and compare CONQUAS and Quality Mark performance of developers and contractors against the industry average of private housing projects.

For more information, please visit the QHP at <https://www.bca.gov.sg/Professionals/iQuasScoreChart/>

If you need any clarification, please contact Mr Lau Mia Sze at Tel: 6730 4486 / Lau_mia_sze@bca.gov.sg
