About SIEW

The [Singapore International Energy Week \(SIEW\)](#) is an annual platform for energy professionals, policymakers and commentators to discuss and share best practices and solutions within the global energy space. SIEW 2021 will be held from the 25-29 October at Marina Bay Sands.

About Atlantic Council Global Energy Forum

The Atlantic Council Global Energy Forum annually convenes the world's top energy and foreign policy decisionmakers to set the global energy agenda for the year ahead and examine the longer-term geopolitical and geo-economic implications of the changing energy system. The Forum is held under the patronage of His Highness Sheikh Mohammed Bin Zayed Al Nahyan, Crown Prince of Abu Dhabi and Deputy Supreme Commander of the United Arab Emirates Armed Forces, in partnership with the UAE Ministry of Energy and Infrastructure, ADNOC, and Mubadala.

About the Energy Market Authority

The Energy Market Authority (EMA) is a statutory board under the Ministry of Trade and Industry. Our main goals are to ensure a reliable and secure energy supply, promote effective competition in the energy market and develop a dynamic energy sector in Singapore. Through our work, the EMA seeks to forge a progressive energy landscape for sustained growth. Please visit www.ema.gov.sg for more information.
