

SPM WEBINAR SERIES

10 March 2021, Wednesday

9am to 12pm

ZOOM

Attendees will be awarded 3 CPD points by SPM

About the Speaker, Scott Ho

Scott holds a Master in Business Administration from Australian Institute of Business and a Bachelor degree from Nanyang Technological University. He joined Samwoh since 2017 and is currently heading the development of Samwoh's new headquarters, the first positive energy building in Singapore.

Scott is also actively involved in the development of digital solutions for the Civil & Infrastructure group. He hopes to digitalise the entire bid to build process for construction projects with focus on utilising cognitive computing and artificial intelligence to enable employees to make better decisions either in the field or in the back office.

Topic

Development of 1st Positive Energy Building in Singapore

Synopsis of Topic

Samwoh Smart Hub is the first positive energy building to be developed in Singapore. The presentation aims to demonstrate how the building was conceptualised, tendered, built and eventually completed. Focus will also be placed on the processes involved during each stage of the development.
