

Dear members, partners and clients,

The Singaporean-German Chamber of Industry and Commerce kindly invites you to our exclusive online conference with the topic **'Energy Efficiency in Buildings'** on **Tuesday, 04 May 2021**.

The event is part of a virtual trade mission for German companies to Singapore, which takes place on behalf of the German Federal Ministry for Economic Affairs and Energy and is supported by the Sustainable Energy Association of Singapore (SEAS).

We have invited keynote speakers from Singapore and Germany to introduce the latest trend and solution regarding energy efficiency in buildings. There are also eight participating German companies to present their innovative solutions.
