AN OVERVIEW OF SIWW2021 SPOTLIGHT

SIWW2021 Spotlight will gather global water leaders in governments, utilities, academia and industry to discuss and prepare the water sector for emerging

challenges ahead. With the central theme of fostering innovation and collaboration to build sustainable water outcomes, SIWW2021 Spotlight will examine how different stakeholders in the water ecosystem collaborate and leverage on innovation to achieve water security and sustainability, and safeguard our urban water systems against shocks such as climate change.

Join our invited speakers and panellists as they share their insights on how innovation and collaboration are key enablers towards achieving sustainable water outcomes. Refer to the programme schedule [here](#).

SIWW2021 Spotlight will be live-streamed via our virtual platform to registered delegates participating in SIWW2021 Online.

AN OVERVIEW OF SIWW2021 ONLINE

To be delivered on our virtual platform, SIWW2021 Online will allow global leaders, experts and practitioners to connect, share and learn from one another in a safe environment. The main pillars of SIWW2021 Online include:

- a. Water Convention
- b. Water Expo
- c. Keynotes, thematic webinars and workshops
- d. Innovation to Practice series
- e. Technology and Product showcases

Over two weeks, more than 100 online sessions will be delivered covering the urban water cycle, including emerging areas such as resource recovery, climate resilience and digital water.

To ensure that our content remain accessible by the international water community, all online sessions will be recorded and made available for on-demand viewing by registered delegates until 31 August 2021.

WATER CONVENTION

The SIWW2021 virtual Water Convention will present over 350 oral and poster technical presentations on applied solutions and best practices across five themes:

1. Delivering Water from Source to Tap (Network)
2. Delivering Water from Source to Tap (Treatment)
3. Effective and Efficient Wastewater Management
4. Cities of the Future

5. Water Quality and Health

Oral sessions will be conducted daily at 4PM and 7PM Singapore time (GMT+8), while poster Q&A sessions will be held daily at 6PM Singapore time (GMT+8)

“I salute SIWW’s efforts to transform digitally and connect the water industry despite the disruption by the pandemic. They worked really hard to conduct the first-ever SIWW Online held in 2020 through virtual demonstration, live meetings and helped us showcase our cutting-edge solution in the virtual booth. We look forward to participating in the SIWW2021 Online Virtual Expo.”
