Water Management & Strategies of the Metropolitan Waterworks Authority (MWA)

21st May 2021

3:00pm– 4:00pm SGT (GMT +8)

Co-organised with:

About this webinar

The Metropolitan Waterworks Authority (MWA) produces and supplies clean water in the Bangkok metropolis area for a population of 10 million people. The water authority has faced recent water challenges due to expansion of urban communities, growth of the industrial sector and increased saltwater intrusion into their water resources. This webinar presents MWA's water challenges, the implemented solutions and upcoming water projects to ensure the operational continuity of water supply in Bangkok.

Why you should attend

Learn about MWA's long-term plans and discover new opportunities.

Speaker

Mr. Komkrit Dinakara Na Ayudhya
Deputy Governor (Engineering and Construction),
MWA, Thailand

Mr. Komkrit Dinakara Na Ayudhya is an expert in waterworks. He has over 34 years of experience in engineering, including water treatment systems, distribution systems and mega-project management. He holds a degree in civil engineering and has taken on several senior management positions. Currently, he is MWA's Deputy Governor in charge of all engineering works. He is also the spokesperson of MWA.

Moderator

Mr Vinod Singh
Director of Growth and Sales (Asia)
Director of Digital, Data and Cyber (Asia) JACOBS

Mr Vinod Singh has more than 25 years of experience, and has provided technical, managerial, and business leadership in water, wastewater and city infrastructure sectors in Asia Pacific, ASEAN, India and the ME region, based out of Singapore. For the past 15 years, Vinod has served various senior management roles in global water firms including Jacobs (CH2M Hill), Black & Veatch and CDM. He holds a postgraduate degree in civil/environmental engineering, and a postgraduate diploma in IT/Digital Management in AEC (Architect, Engineering and Construction) Industry, from Salford University.

About SgWX Water Utilities Series

The SgWX Water Utilities Series is co-organised by the Singapore Water Exchange and the Singapore Water Association. The webinar provides a platform for the water industry to interact with overseas utilities and regulators, understand their challenges and identify business opportunities.

About the Singapore Water Exchange

The Singapore Water Exchange (SgWX), managed by PUB, Singapore's National Water Agency, is a purpose-built infrastructure to provide an integrated and conducive environment for water companies to innovate and collaborate. Launched in Jul 2018, SgWX offers a variety of collaborative spaces to serve as a launchpad for companies to grow their businesses in the region and beyond.

About the Singapore Water Association

The Singapore Water Association established since 2004 envisions to create a vibrant and dynamic water industry in Singapore. Its members have grown from an initial 9 founding members to almost 300 members. Singapore Water Association has been instrumental in profiling and promoting Singapore as a pivotal regional hub for all water-related services and water technologies, by providing a platform to build effective networking, facilitate opportunities for collaboration, and foster the exchange of ideas and knowledge amongst member companies.
