ADVANCING THE ENERGY TRANSITION

25 OCTOBER – 29 OCTOBER 2021 (MONDAY – FRIDAY)

Join us at the 14th [Singapore International Energy Week \(SIEW\)](#) this 25 – 29 October, where we will bring together the world’s leading energy experts in one week, one location. SIEW 2021 will be held in a hybrid format, with both onsite and online components for participants in Singapore and overseas. Don’t miss the opportunity to be part of the discussions this October.

Sign up today to enjoy discounts of up to SGD \$400!

REGISTER NOW!

SINGAPORE ENERGY SUMMIT

The [Singapore Energy Summit \(SES\)](#) facilitates high-level dialogue on energy issues centered on this year’s theme, “Advancing the Energy Transition”. The SES discussions will focus on:

RESET

ADVANCING THE LOW CARBON ENERGY TRANSITION

This panel will explore Asia's role in advancing the energy transition and how global energy players and countries can work together to galvanise our efforts towards sustainability. Opportunities and frameworks needed to accelerate the transition will be discussed.

RESTRUCTURE

PURSUING GREEN GROWTH

This panel will discuss how the economy can be restructured to be greener, to accelerate growth and job creation. It will also explore the significance of the green economy and the ways to accelerate the greening of industries, cities, buildings, and transport in the region.

REINVENT

INNOVATION AND FUTURE OF ENERGY

This session explores the drivers for innovation across the energy sector and how this can facilitate the low carbon energy transition. Low carbon innovations will be explored, along with the various ways needed to harness digitalisation to optimise our energy system and mitigate climate change.

Confirmed High-level Speakers at SIEW includes:

Francesco La Camera
Director General
**International Renewable
Energy Agency (IRENA)**

Damilola Ogunbiyi
CEO of Sustainable Energy
for All and Special
Representative of the UN
Secretary General, Co-Chair
of UN-Energy
Sustainable Energy for All

Eric Pang
Director
**Electrical and
Mechanical Service
Department, Hong Kong**

Lei Zhang
Chief Executive Officer
Envision Digital

Martin Houston
Vice Chairman
Tellurian Inc

Paddy Padmanathan
President and Chief
Executive Officer
ACWA Power

Paulo Kautoke
Senior Director of Trade
Oceans and Natural
Resources Directorate
**Commonwealth
Secretariat**

Sumant Sinha
Chairman and
Managing Director
ReNew Power

SINGAPORE-IRENA HIGH-LEVEL FORUM

New at SIEW this year, the inaugural [Singapore-IRENA High-Level Forum](#) will be co-hosted by EMA and the International Renewable Energy Agency (IRENA). It will focus on "Investing in an Inclusive and Just

Clean Energy Transition”, where speakers will exchange views on mobilising investments to support and shape an inclusive energy transition. The forum will focus on these key areas:

- Mobilising Investment to Support the Energy Transition
- Shaping an Inclusive and Just Energy Transition
- The Role of Technology in Driving the Energy Transition

SIEW PARTNER EVENTS

SIEW 2021 will feature a new industry-driven conference on the [Future of the Grid](#), with a special focus on Grid Optimisation and Electrification. [Asia Clean Energy Summit \(ACES\)](#), [Asian Downstream Summit \(ADS\)](#) and [LNG and Hydrogen Gas Markets Asia](#) will also return as SIEW partner events. These events will provide an opportunity to focus on industry-specific topics. Register for two or more partner events and get further discounts on your conference ticket!

LNG and Hydrogen Gas Markets Asia

SIEW THINKTANK ROUNDTABLES

These in-depth discussions will provide a useful platform for like-minded industry peers to exchange views and ideas. Join our hosts as they discuss niche energy topics. Find out more about the topics [here](#).

SIEW 2021 Sponsors:

The Singapore International Energy Week (SIEW) is made possible by the support of our sponsors. For more information about sponsorship opportunities with SIEW, you may contact Serene Chua at Serene_chua@ema.gov.sg.

About the Organisers:

The [Singapore International Energy Week \(SIEW\)](#) is an annual platform for energy professionals, policymakers and commentators to discuss and share best practices and solutions within the global energy space. SIEW 2021 will be held in a hybrid format with both onsite and online components from the 25 - 29 October at Marina Bay Sands.

The Energy Market Authority (EMA) is a statutory board under the Ministry of Trade and Industry. Our main goals are to ensure a reliable and secure energy supply, promote effective competition in the energy market and develop a dynamic energy sector in Singapore. Through our work, the EMA seeks to forge a progressive energy landscape for sustained growth. Please visit www.ema.gov.sg for more information.
