

RE-IMAGINING THE **FUTURE**

INTERNATIONAL BUILT ENVIRONMENT WEEK  
7 - 10 SEPTEMBER 2021

WWW.IBEW.SG

## A SMART FUTURE OF THE BUILT ENVIRONMENT

Do we find ourselves standing on the brink of the next big technological revolution that will revamp the way we work and relate to each other constantly? Truth to be told, the built environment sector is of no exception to this transformation.

It is our pleasure to therefore invite you to join us in our endeavours to re-imagine this smart future of the built environment with IBEW 2021.

Our **Early Bird promotion ends 31 July!** Don't miss the chance to get the best deal for IBEW 2021!

Authority

### BE CONNECT: SMART FACILITY MANAGEMENT - THE WAY FORWARD

8 SEP 2021 (WED) | 11.00AM - 12.30PM (SGT)

The rapid adoption of technologies like the Internet of Things and Data Analytics are driving the expansive growth of smart buildings. As smart buildings become the new norm, it is pivotal for facility management professionals to go beyond the usual building management work to the integrating of systems, processes, technologies and personnel to better deliver services across multiple facilities and locations. Unlock the power of smart facilities management through IBEW 2021 – be part of what is the norm now.

**MR. FUJI FOO**
