Plan Our Future SG

Envisioning the future in our Long-Term Plan Review

We are reviewing our long-term plans to ensure that they continue to be relevant in serving the needs and aspirations of current and future generations. Tell us your hopes for Singapore's future in our online poll!

Optionality for more resilient cities

What does it mean for cities to 'plan for optionality' and how does it help them navigate uncertainties for a brighter, more resilient future? Gather insights from our CEO's keynotes from the World Cities Summit.

Conserve Built Heritage

Old school wonder

You've probably seen this four-storey Art Deco building among the shophouses in Little India but did you also know that it's an Architectural Heritage Award winner?

[Take a closer look at this former school turned boutique hotel.](#)

Enliven Public Spaces

Shaping age-friendly neighbourhoods

Can something as simple as seating arrangements help foster interactions between young and old? How about murals along void decks as wayfinders? Learn how design interventions informed by this study can be applied to create common spaces that are welcoming to all.

[Uncover the findings](#)

Go Car-Lite

Two-wheeled rides from the heartlands and beyond

Pedal to picturesque spots like MacRitchie Reservoir Park or the new Keppel Marina East Desalination Plant from home with these #ExploreSGRide routes! Do remember to keep a safe distance from others and mask up when taking a break.

Shape a Distinctive City

Honouring Singapore's top design talents

Congratulations to the recipients of the President*s Design Award 2020! Among this batch of winners are the architects behind the Pinnacle@Duxton, Kampung Admiralty, Jewel Changi Airport, Cloister House, and Sparkletots Large Preschool at Punggol.
