

## Smart Buildings Conference 2021

02 - 03 November, 08:30 - 13:00 SGT

With the global smart buildings market projected to grow from \$66.3 billion (USD) in 2020 to \$108.9 billion by 2025, a compounded growth rate of 10.5% (Globenewswire, 2020), such growth shows a mounting focus on the built environment being key towards achieving national and global sustainability targets, with the collective contest being well led by Singapore.
