

AMENDMENTS TO SUBSIDIARY LEGISLATION UNDER THE RAPID TRANSIT SYSTEMS ACT

Abstract

This video seminar aims to familiarize industry professionals with the recent amendments made to the subsidiary legislation under the Rapid Transit Systems (RTS) Act:

- Development and Building Works in Railway Corridor and Railway Protection Zone Regulations (DBW Regs)
- Railway Protection, Restricted Activities Regulations (RPRA Regs)

The video presentations will guide the industry on the new amendments and requirements; as well as introduce LTA's new lodgement scheme for Development & Building Proposal within the railway protection zone.

Topics:

1. DBW Regs and Lodgement
2. RPRA Regs

Speaker:

Alice Guo, Deputy Manager
Rails and Road Structures Protection
Development and Building Control
