LIVE Webinar

### Your next step as a BIM Professional: BIM Certification and Professional Qualifications with ISO 19650

3 September 2021 | 4.00pm to 5.30pm SGT

In collaboration between **BSI** and **Singapore Institute of Building Limited (SIBL)**, sign up for our complimentary webinar for Building Information Modeling (BIM) Certification and Professional Qualifications with ISO 19650.

This webinar will includes:

- Insights from our industry practitioners on the practical application and benefits of BIM with ISO 19650
- Give you a strong foundation in all stages of a BIM project using ISO 19650, the International Standard and best practice for BIM management
- Learn how to define BIM, list potential solutions for BIM challenges and understand why it is critical to implement BIM
- How to implement ISO 19650 as part of your organization's best practice for BIM

## Our speakers

Hear from our speakers on how international standards shape the next wave of evolution in the Built Environment and to learn more about how to get yourself certified and obtain industry recognition as a ISO 19650 BIM Certified Professional through the joint BSI and SIBL qualification pathway.
