SIWW2022 WATER CONVENTION CALL FOR PAPERS

Submit your abstracts or register to be a reviewer for SIWW2022 Water Convention now!

The Water Convention is one of SIWW's flagship pillars that gathers water experts, practitioners and technology providers to share knowledge, exchange experiences and showcase latest innovation in urban water management.

Co-organised with the International Water Association, we are inviting the international water community to submit abstracts under the following themes:

- [Theme 1 - Delivering Water from Source to Tap \(Network\)](#)
- [Theme 2 - Delivering Water from Source to Tap \(Treatment\)](#)
- [Theme 3A - Effective and Efficient Wastewater Management \(Treatment\)](#)

- [Theme 3B – Effective and Efficient Wastewater Management \(Conveyance\)](#)
- [Theme 4 - Cities of the Future](#)
- [Theme 5 - Water Quality and Health](#)
- [Theme 6 - Nexus and Circularity](#)

SUBMIT ABSTRACT

Closing deadline: 3 September 2021

Water experts are also invited to register as a reviewer for the Water Convention. You will support the Programme Committee in reviewing abstracts and play a part in shaping a high-quality programme at SIWW2022. Special discounts on SIWW2022 registration fees will be extended to all reviewers.

REVIEWER REGISTRATION

Closing deadline: 31 August 2021

IMPORTANT NOTICES

EXHIBITOR ADVISORY NOTE - Warning against dealings with questionable practices

As we gear up for SIWW2022, we would like to urge exhibitors to exercise caution when dealing with companies that have asked you to update or correct your data with fair directories and subsequently claimed fees.

We want to assure our visitors, delegates and exhibitors that we take data protection seriously. To avoid possible unwarranted and/or unnecessary financial commitments, please view this advisory note and other important points for you to take note of [here](#).

In the event that you are being approached, please forward a copy of the communication to info@siww.com.sg.
