

Ethical Conduct in Engineering Consultancy Practice

Friday, 24 September 2021
4:30 PM (IST)

Opening Remarks

Dr. Ajay Pradhan
President

Consulting Engineers Association of India

Consulting Engineers Association of India (CEAI) is an apex body of Consulting Engineers in India and is a Member Association of FIDIC (Fédération Internationale Des Ingénieurs-Conseils) or the International Federation of Consulting Engineers. CEAI encourages its members to follow the CEAI Code of Ethics.

Ethical conduct relates to an organization's own procedures as also those while rendering services to customers. It includes attributes like integrity, honesty, mutual respect, fairness, accountability, appropriate technology, adherence to quality, timelines, codes and standards, contractual commitments, environment & safety, sustainability, etc
