ADVANCING THE ENERGY TRANSITION

25 OCTOBER - 29 OCTOBER 2021 (MONDAY - FRIDAY)

We are just three weeks away from the 14th edition of Singapore International Energy Week (SIEW)!

SIEW is Asia's leading platform for the discussion of energy issues that impact the region and beyond. This year's theme of "Advancing the Energy Transition" highlights the growing momentum for a more sustainable energy future and green growth. SIEW 2021 will run in a hybrid format at the Marina Bay Sands Expo and Convention Centre, with both onsite participants in Singapore and live streaming for online participants from around the world.

Join us and discuss how to advance the energy transition with players from across the energy spectrum including, governments, industry captains and heads of international organisations.
