

COMPUTATIONAL DESIGN INFORMS BETTER DECISION-MAKING

How does computational design help to translate processing power into thoughtful design? It actually helps to create a more cost-effective outcome for human-centred, high-performance spaces.

DIPLOMA ADMISSION DAY

We offer Diploma programmes to build a pool of future talents for our Built Environment sector. As O-Level results will be released soon, do help to spread the news and hope to see you at our upcoming Diploma Admission Day (April Intake) for more face-to-face interaction with our lecturers and students.
