11th Edition

BuildTech Asia (BTA) 2022 is BACK IN ACTION!

BTA 2022 returns with a hybrid event format consisting of a **physical exhibition** and a **digital platform**. With the theme "Connecting the Future of Asia's Built Environment", we aim to help accelerate the adoption of digitalized solution and smart technologies as part of the industry transformation roadmap for the Built Environment sector.

This 11th edition brings together 10,000 trade professionals to convene virtually and physically, to facilitate exchange of insights, knowledge and solutions **to help Start, Scale and Sustain their transformation journey**, focusing on the following key segments: Productive Technologies, Building Materials, Construction Machineries, Architectural Finishes, Facilities Management.

Join us today and learn about the latest technology and solutions from the peers in the built environment.
