

Dear Industry Professionals,

Fire Safety Design Awards 2022 Invitation to Participate

1. The Fire Safety Design Awards (FSDA) 2022 is open for applications!
2. The main objective of the FSDA is to inculcate a strong culture of fire safety among building professionals. It serves to recognise individuals and organisations for their efforts in overcoming various challenges to achieve high standards in the fire safety design of our built environment in Singapore. Winning individuals and building projects will be presented awards at the Fire Safety Asia Conference (FiSAC) 2022 Awards Presentation Gala Dinner on 16 November 2022.
3. All Qualified Persons for fire safety works, Fire Safety Engineers, Developers, Building Owners and the Project Teams are invited to participate and apply for the Awards in the respective Building Project and Individual categories. **The closing date for application is 25 May 2022.**
4. The participation manual and application material can be downloaded through the links below.
5. If you require any clarification, please do not hesitate to email your enquiry to fsda@nfec.org.sg.
