

BCA ACADEMY

GOING GREEN WITH HIGHER SUSTAINABILITY STANDARDS

Did you know that buildings use a third of all electricity consumption in Singapore? Today the most energy efficient buildings are about 60% more efficient compared to when we started our green building journey in 2005 and we aim to improve this to 80% by 2030.

Join us, as we continue to green buildings in Singapore and play our part as a global citizen in mitigating climate change.
