

The [World Cities Summit 2022](#) will be held in person at the Sands Expo and Convention Centre, Marina Bay Sands, from 31 July to 3 August. With the theme "Liveable and Sustainable Cities: Emerging Stronger", the Summit addresses how cities can emerge stronger and become more resilient in the face of prolonged and unpredictable disruptions.

Jointly organised by Singapore's Centre for Liveable Cities and the Urban Redevelopment Authority, this 4-day event includes the main conference, plenaries, tracks, and other key events. Highlights include the WCS Mayors Forum, the WCS Young Leaders Symposium, the Lee Kuan Yew World City Prize Lecture & Forum, an Expo, and site visits. It is held in conjunction with our Key Partner, the Asia Infrastructure Forum.

As part of the main conference, delegates will explore how cities can emerge stronger from contemporary disruptions through five tracks: Sustainable Financing, Smart Cities, Development and Planning, Urban Resilience, and Liveable Future Cities.
