

Dear Sir/ Madam,

The below announcement via CORENET e-info is for your information and dissemination to your members, please. Thank you.

Dear industry professionals,

We refer to the intended launch of CORENET 2 on 1 August 2022. During the migration, we have encountered unforeseen technical issues that require more time to be resolved. To minimize CORENET downtime to the industry, the launch of CORENET 2 will be postponed. Further notice will be given to the industry on the next launch date and for more information on CORENET 2.0, please visit <https://www.cn2resourcehub.com>

CORENET e-Submission users may continue your building plan related submission using the current CORENET ESPro and e-Submission portal from 1 August 2022 hours onwards.

We apologise for any inconvenience caused. Further assistance, our customer care team is contactable at ess-helpdesk@nova-hub.com during our support hours from Monday to Friday from 0900 hours to 1800 hours excluding Saturday, Sunday and Public Holidays.

Thank you
