Dear Er. Teo Yann,

Register to attend the Singapore Landscape Architecture Awards 2022 on 12th December 2022! Join us in a night of recognising and celebrating the best in the landscape architecture industry and showcasing their works!

Please avail the early bird rates at the soonest as they end 18th November.

On behalf of the **Singapore Institute of Landscape Architects (SILA)**, we invite you to our biennial **Singapore Landscape Architecture Awards 2022**, returning face to face after three years away! We will announce the winning projects in the Gold, Silver and Merit Category and the top Outstanding Award winner at the event. We will also be announcing the inaugural **SILA Young Landscape Architect of the Year Award!**

The Singapore Landscape Architecture Award (SLAA) aims to honour and showcase the best works of our landscape architects and promote landscape design innovation in various design disciplines. This year, we received an overwhelming 72 project submissions across six categories, including nominations for the special Young LA of the Year award. The judging process included two-stage online and onsite judging for the projects and individual interviews for the nominated special category awards.

In addition to the awards, we will also have an exclusive launch of the first NParks - SILA book publication: **DESIGNING A CITY IN NATURE**. The book profiles some of the excellent works of SILA Recognised Practices and their contributions to the larger narrative of climate resilience and a sustainable future.

A big thank you to our sponsors Semec, Playpoint, Elmich & Uniseal for supporting this event!
