FUSION

THE POTENTIAL OF TECHNOLOGY AND DESIGN

Issue 24 / 2022

Dear

Seasons' Greetings! We are happy to present our latest issue of SUTD's corporate newsletter, **Fusion**. Find out more about SUTD's latest forays into maritime cyber security R&D and also the opening of the Future Communications Connectivity (FCC) Lab.

A Peek Into the STEP Global Experience

Nine [SUTD Technology Entrepreneurship Programme](#) (STEP) students completed their overseas immersion at UC Berkeley Extension as well as an internship in the Bay Area in August 2022. Read more about what they experienced during their time there.

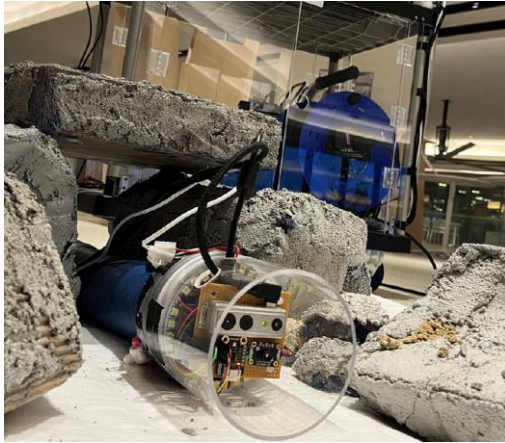

[Read more](#)

Pelatok Art Farm

SUTD collaborated with Changi General Hospital and SAA Architects to create the Pelatok Art Farm, a community prototype farm that aims to improve the mental wellbeing of residents within Changi Simei.

The SUTD 2022 Capstone Design Showcase

From an interactive modular pavilion for active ageing to a soft robot that can search and rescue victims after a structural collapse, learn more about the innovative [Capstone 2022 projects](#) SUTD students have put up for display this year!

[Read more](#)

Class of 2022 Graduates

A passion in mathematics led Praveen Rajesh to co-found an educational technology start-up during his university days. The chatbot, SnapLearn, can provide syllabus-specific help for any math problem with just a photo of the question.

Learn more about our students' education experiences in SUTD and what they are doing after graduating.
