

IN PARTNERSHIP:

WORLD ENGINEERING DAY

4 March 2023

ENGINEERING INNOVATION FOR A MORE RESILIENT WORLD

The World Engineering Day (4 March) is an international day proclaimed by UNESCO to celebrate and commemorate the contributions of Engineering in making lives better. The Institution of Engineers, Singapore (IES), partnering The World Federation of Engineering Organizations (WFEO) will be celebrating World Engineering Day 2023 (WED 2023) with a slew of activities and programmes slated for the coming months.

Join us in the Sustainability Journey:

IES GREEN-FEST & WED 2023 LIVE (4 MARCH 2023)

Join us with your colleagues, friends and families at the finale celebration and take part in fun-filled activities:

- Green Challenge
- Fireside Chat
- Ted Talk
- Trivia Trail
- Community Campaign
- Green Awards
- Exhibitions and many more!
