IES Green Festival: 4 March 2023 (Saturday), 10am - 1pm, Science Centre Annex Hall

Join us at the inaugural **IES Green Festival**, organised together with Science Centre Singapore and the World Federation of Engineering Organizations (WFEO), on **4 March!**

It will be a day of fun-filled and educational activities with our invited guests, as we commemorate the World Engineering Day for Sustainable Development 2023, and engage in deep conversations about engineering, innovation, resilience, and sustainability.

Sign up now through the QR code in the video above, or by clicking on the flyer below. See you there!

PROUDLY ORGANIZED BY:
