MAR
2023

12th Edition

TRANSFORMING TOMORROW'S
BUILT ENVIRONMENT
SINGAPORE EXPO

The Visiting Delegation is an initiative to help businesses overcome challenges by exploring various digital solutions available to overcome construction businesses' pain points.

Come and be inspired by live demonstrations and connect with the right suppliers for potential collaborations!

Benefits of Participating in a Visiting Delegation Programme:

- ▶ Access to the Built Environment Transformation Forum to learn and discover solutions for your transformation journey
- ▶ A specially curated guided tour at the event show floor
- ▶ Business Matching: A pre-arranged business matching with attendees based on pre-selected criteria
- ▶ Access to the Sundowner area for networking opportunities with industry professionals from the Built Environment sector (refreshments will be provided)
- ▶ Site Visit Tour: An exclusive visit to sites with advanced facilities and new technologies for Built Environment sector (Limited slots and on a first come first serve basis)

LIMITED SLOTS AVAILABLE.
