Organised by the Singapore Green Building Council

The Singapore Green Building Council (SGBC) is organising the comeback edition of the International Green Building Conference 2023 (IGBC) on 26 to 27 June 2023 at the Fairmont Ballroom, Raffles City Convention Centre.

First launched in 2009 along with the founding of SGBC, the International Green Building Conference (IGBC) platform showcases Singapore's efforts and achievements in developing a sustainable city in the tropics and highlights the latest trends, developments and technology in built environment sustainability.

SGBC will come full circle with IGBC 2023, delivering two days of insightful discussions, tabletop exhibitions and networking opportunities across the following key themes:

- Real Estate Decarbonisation
- Energy Transformation Towards Net Zero
- Unlocking Green Finance
- Future Forward
- Technology & Innovation
- Advancing Sustainable Construction
- Business Transition for Climate Action

Network and mingle with real estate developers, asset owners and managers, architects, engineers, consultants, contractors, government agencies, solution providers and the academia on the latest in green building and built environment sustainability.

The IGBC 2023 Early Bird special is now on till 31 May 2023. Register now to save 26% on your Conference and attend the premier green building conference of the year.
