Invitation to Participate in Quarterly Survey on Business Challenges and WSH Tech Solutions

The WSH Institute, conducts quarterly survey on Business Challenges and WSH Tech Solutions. Inputs from you and members of your organisation and association help the WSH Institute gain valuable insights into the issues that companies are facing that can impact workplace safety and health.

To help the WSH Institute get up-to-date feedback to sense the pulse of the industry, we invite you and members of your organisation and association to participate in the 2023 Q3 business challenges survey. In this quarter, we have included some questions on the adoption of WSH Tech solutions.

The survey will take approximately 5 minutes to complete and respondents' answers will be kept strictly confidential.

To participate, simply click [here](#) or scan the QR code below.

Thank you for your time and consideration, and we look forward to hearing from you and your members soon.
