

BCA ACADEMY

As the construction industry continues to evolve, collaborative contracting approaches have emerged as a game-changer, fostering stronger relationships, maximizing project outcomes, and driving overall success.

Our newly launched two courses on Collaborative Contracting present a timely opportunity to enhance your professional skills in Collaborative Contracting.

Do not miss out on this learning experience. Secure your spot and get ready to embark on an inspiring educational journey. We look forward to welcoming you to the two courses.

new Introduction to Collaborative Contracting

The 1-day introductory course aims to build up basic and broad-based level of capability in collaborative contracting. It will cover comparison across various collaborative contracting models with traditional contracting models as well as highlight key collaborative contracting principles and considerations for adoption by different projects.

KEY TOPICS

Driving Collaboration in the Built Environment Sector

- The Need for Collaboration to Accelerate Industry Transformation
- Overview of Current Contracting Practice in the Built Environment

Understanding Collaborative Contracting

- Collaborative Contractual Models and Frameworks
- Key Principles of Collaborative Contracting

Successful Adoption of Collaboration Contracting

- Application of Collaborative Contracting and Suitability of Projects
- Critical Success Factors and Pitfalls
- Collaborative Contracting Case Studies

HIGHLIGHTS

Sze Boon has over 20 years of professional experience in international consultancy practice. As a thought leader, he frequently speaks at conferences on pertinent topics such Collaborative Contracting, Pre-fabricated Pre-Finished Volumetric Construction (DfMA-PPVC), and Early Contractor's Involvement.

Anchor Trainer
Khoo Sze Boon
Managing Director, Turner & Townsend (Singapore & Vietnam)

PANEL DISCUSSION

Featuring project teams piloting collaborative contracting

- Punggol Digital District
- JCube Redevelopment Project

Course Date: 11 August 2023 >> [CLICK HERE FOR MORE DETAILS](#)

new Certification Course on Collaborative Contracting

The 4-day intermediate course aims to deepen technical collaborative contracting capabilities for successful implementation of collaborative contracts in Singapore. It will cover collaborative contractual provisions under PSSCOC and more in-depth understanding of the principles of collaborative provisions under NEC4, as well as critical success factors and risks involved in ensuring successful implementation of collaborative contracting.

Course Date: 16 - 19 October 2023 >> [CLICK HERE FOR MORE DETAILS](#)
