

5 October 2023

Dear colleagues,

As a FIDIC member, we value your insights and opinions as a vital part of our commitment to providing top-notch education and training in the global infrastructure sector.

We invite you and your member firms to take part in our brief FIDIC Academy survey, specially designed to gather your thoughts on potential new education and training products at an advanced level. While our current curriculum focuses on introductory to intermediate topics, we're eager to expand and cater to your evolving needs. By participating, you and your member firms will play a crucial role in shaping the future of education in our industry.

### **What's in the Survey?**

The survey won't take more than 10 minutes of your time. We'll be asking for your valuable insights regarding your interest in advanced-level courses, as well as gauging your awareness of the current offerings available through FIDIC Academy.

### **Your Chance to Win!**

As a token of our appreciation for your time and feedback, we're giving you the opportunity to win one of five '50% off discount codes' for any of FIDIC Academy's on-demand courses in business and FIDIC values.

[Click here to take part in the survey.](#)

Kindly complete the survey by the 20th of October. Following the survey closure, we'll conduct a random draw to select the winners of the discount codes. Keep an eye on your inbox – you could be one of the lucky recipients!

Rest assured that all your responses will be treated with the utmost confidentiality.

Thank you for being a valued member of the FIDIC Academy community. We look forward to your participation in the survey!

Kind regards,  
Oro
