Upcoming Industry Engagement on New BEAMP Cycle on 28 Nov 2023

BEAMP | **Industry Engagement Session** **Tuesday, 28 Nov | 2:30 - 3:00pm**

Dear Built Environment professionals,

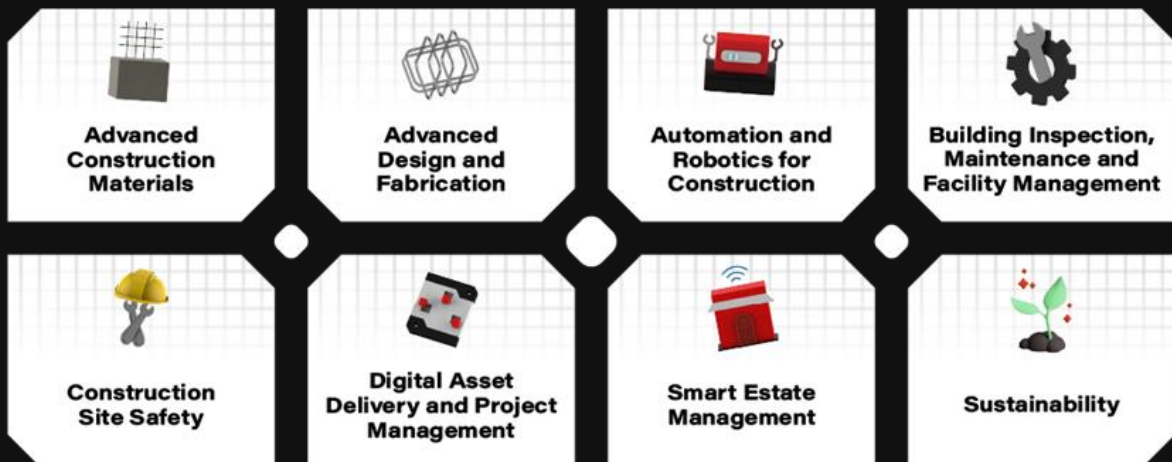

We would like to invite you to our virtual Industry Engagement Session on Built Environment Accelerate to Market Programme (BEAMP) Cycle 5. At this session, we will share more about BEAMP, past success stories, and answer any questions that you may have about the programme.

***Click here to RSVP for the
Industry Engagement Session***

The challenge statement gathering process for BEAMP Cycle 5 is now open!

We would like to invite you to surface specific challenge statements under any of the following thematic pillars, and work with selected solution providers to co-develop, test, and pilot solutions to address them.

Have a challenge statement in mind? Tell us about it!

Step 1: Head to our website at beamp.sg.
Step 2: Download our [Challenge Statement Template](#).
Step 3: Fill it up and send it to beamp@padang.co.

About BEAMP

BEAMP is a multi-agency initiative designed to build a vibrant innovation ecosystem for the Built Environment (BE) sector in Singapore. It provides a platform for BE industry players in Singapore to raise specific real-world challenge statements, and collaborate with solution providers to surface innovative solutions.

The programme was launched by the Building and Construction Authority (BCA), JTC Corporation (JTC) and Enterprise Singapore.

To learn more, visit the BEAMP website: beamp.sg.

If you have any questions, please write to beamp@padang.co.
