**Sent:** Friday, December 1, 2023 6:30 PM

**Subject:** Email Invitation for Industry Briefing on the Electric Vehicles Charging Act (for Development Owners)

Dear all,

As previously announced, the Electric Vehicles (EV) Charging Act (EVCA) was passed by Parliament in November 2022 to regulate the safe charging of EVs, ensure the provision of reliable EV charging services, and expand the network of accessible charging infrastructure in Singapore. This will include mandating EV charging provisions at developments to ensure accessibility of charging infrastructure.

To ensure a smooth transition for the industry upon the commencement of the EVCA, the Land Transport Authority (LTA) would like to invite you to an industry briefing to share more information about the upcoming requirements. Details of the briefing are as follows:

Date: 13th December 2023 (Wed)

Time: 10am – 11am

Location: LTA Hampshire Office Auditorium

*More information will be sent after the confirmation of your attendance.*

If you are keen to participate in the briefing session, please register your attendance for the industry briefing via <https://go.gov.sg/industry-briefing-13th-december>. **Registrations will close on 8<sup>th</sup> December 2023.**

Kindly reach out to Zhelin if you have further questions regarding the industry briefing. Thank you and we look forward to seeing you.

Yours sincerely  
National Electric Vehicle Centre
